

## Makeup Class Policy and Procedures

Parents are responsible for scheduling their dancer's makeup classes via the Parent Portal and following the policies listed below.

- Attendance is taken in EVERY ARB class. ALL classes missed are eligible for makeup.
- **ARB allows a student to makeup a class within 1 MONTH of the absence.**
- The makeup class must be the SAME level or below.
- Makeup classes can be taken at EITHER location.
- If the student is absent from their makeup class they are NOT eligible for another makeup.
- You do have the option to cancel and reschedule the makeup classes BEFORE being absent, so please do that if you find the original makeup class date/time won't work.
- **Makeup classes MUST be scheduled more than TWO HOURS before the makeup class begins.**
  - This allows the teacher to know who will be attending that day.
  - Please do not email/call us and ask to be added to a class for makeup the same day if you aren't able to do it yourself within that time limit.
  - We are not always available to schedule a class for you at the last minute and it is not fair to the teachers to just show up.
